Sir:

RESPONSE TO OFFICE ACTION

This communication is responsive to the office action mailed October 5, 2005 in the above identified patent application.

INCONSISTENCY IN DUE DATE FOR RESPONSE

On the first page of the office action it states that a shortened statutory period of three months from the mailing date of the office action, i.e., until January 5, 2006, has been set. On page 4 of the office action, it says that a shortened statutory

period of two months from the mailing date of the office action, i.e., until December 5, 2005, applies.

It is respectfully submitted that in view of the inconsistency, Applicant should be entitled to the longer period in which case no extension of time for this response is needed.

If the shorter period is to apply, then Applicant hereby requests that the time for responding to the outstanding office action be extended by one month up to and including January 5, 2006. The extension fee in the amount of \$60.00 plus any fee required to keep the case alive should be debited to deposit account no. 06-0735.
